4) Corrections to 'Preserved Coaching Stock of British Railways - Part one'

It has now been established that all Corridor Seconds of lot 30349 were built with **BR Mk I Madison (BR II)** bogies. Thus the following changes should be made:-

- Page 9 In the section on **Bogies** the narrative regarding **BR Mk I Madison (BR II)** should have the word 'certain' deleted from the second sentence.
- Page 16 Delete the following section:- **7. BR Mark I replaced with BR Mark I Madison**
- Page 42 In the details for **Lot No. 30349 Bogies** should be BR II and the statements '25346/47/55/62/64/66/85 rebogied with BR II bogies' and '25307/12 preserved with BR II bogies' should be deleted. It should be noted that the later statement was altered as a result of information contained in Ammendment Sheet Number Two which was subsequently found to be incorrect.

Any information for inclusion in future amendment sheets should be forwarded to:-
