7) Corrections to Amendment Sheet Eight

- a) In the movements section the new location of RMB 1863, TSOs 5029 & 5030, CKs 16187 & 16191 and BSKs 35316 & 35461 should read 'The Riviera Ltd, Cranmore' rather than 'RPR Ltd, Cranmore'.
- b) In the detail alterations section the TSO "plated" SCR99823 is 4832 not 4823

8) News of Mainline Operators

a) General

Privately owned carriages passed for use on Railtrack lines may now be registered using their last capital stock number or a private owner number in the 99xxx series. It will be noted from the above that The Riviera Ltd are the first owners to take advantage of this change in the rules with RMB 1863 and TSOs 4963, 5025, 5029 & 5030 registered using their capital stock numbers.

b) West Coast Railway Company, Carnforth

The carriages used for Fort William-Mallaig trains during the summer were 3766(WDS99317), 4912(WDS99318), 4931(WDS99329), 4954(WDS99326), 5033(WDS99328), 5044(WDS99329), 21256(WDS99304), 25893(TRTS99712). Also present were support coaches 35449(SVR99241) and 35463(WDS99312).

5299(WDS99321), 5600(WDS99322), 35459(TRTS99723) have been loaned to South West & Wales Railways Ltd for use on trains which are temporarily being locomotive hauled whilst faults to Class 158 units are rectified.

c) The Riviera Ltd, Cranmore

The Riviera Ltd set has now entered service. The eight carriages initially formed in the set being 1863, 4963, 5025, 5029, 5030, 16187(RTL99714), 16191(RTL99719), 35461(RTL99720). 35316(RPR80213) is expected to move from Bristol Marsh Junction in the near future and act as the spare brake vehicle for the set. Further carriages are to be added as restoration is completed.

d) Venice-Simplon Orient Express Ltd, Stewarts Lane

The remaining carriages from the 'Ocean Liner Express' set, 3066(VSOE99566), 3068(VSOE99568), 3069(VSOE99568), 14096, 80867(VSOE99554), are currently stored in Clapham Carriage Shed.

The recently overhauled 35466(VSOE99545) now branded 'Baggage Car No.11' has apparently replaced 34991(VSOE99538) 'Baggage Car No.9' in the 'Orient Express' set. Observations of 'Baggage Car No 11' indicate it carries VSOE99544 on one side/end at least. It is assumed that this is a painters error unless any readers have any other explanation.

Any information for inclusion in future amendment sheets should be forwarded to:-
