#### 5) Corrections to 'Amendment Sheet Number 22'

In section 1) a) Additions-Southern Railway Stock. PMV **1172** DS798 should be deleted. This vehicle has not been preserved at the Bluebell Railway as recorded but remains at Eastleigh Locomotive Holding Sidings awaiting disposal. It is however understood that a PMV has arrived at the Bluebell Railway which is not this particular vehicles as originally understood. Details of the movement of a PMV to the Bluebell Railway not recorded on these sheets would therefore be gratefully appreciated.
