

## PRESERVED COACHING STOCK OF BRITISH RAILWAYS

### AMENDMENT SHEET NUMBER 63

*May/June 2003*

### SPECIAL AND CHARTER TRAIN COACHING STOCK

#### A) West Coast Railway Company

MARK 1 SK 25955 (99315) has been taken out of use and sold to for preservation at Cloughton Station, North Yorkshire.

#### B) Wessex Trains

Mark 2F RSS 1800 "TINTAGEL" has, following a few minor teething troubles, entered service in the Old Oak Common based set. The work to return the two other former Northern Ireland Railways carriages to use as FOs, 13498 and 13508, has not yet been completed at the Heysham premises of the Lancastrian Carriage & Wagon Company. These have now been joined by a third former Northern Ireland Railways Open Standard, NIR 920, that it is also intended will be converted to a 42-seat FO. This particular carriage also started out with British Railways, as Mark 2B FK 13509. It moved to Northern Ireland in 1981 where it was converted to an Open First numbered 902 before being de-classified in 1991 and being renumbered 920.

The delayed completion of the FO's has resulted in Mark 2A BFK 35518 "MERLIN" intended for use as a support coach for SR 34067 "TANGMERE" instead seeing passenger use. Thus Green liveried Mark 1 BSK 35317 has taken the role of "TANGMERE" support coach and is now based at Old Oak Common.

Details were given in Amendment Sheet 60 of the names carried by the carriages included in the Old Oak Common based Wessex Trains set. This information was provided by Wessex Trains and was thus believed to be correct. It was stated at the time that TSOs 5278, 5389, 5419 were named SIR GALAHAD, SIR LAUNCELOT and MELISANDE. Recent observations of these three carriages have revealed the order of names actually to be MELISANDE, SIR GALAHAD and SIR LAUNCELOT. It is not clear why this change has occurred but it has been concluded to be a mystery of Arthurian legend.
