4) Bodies of Non Passenger Carrying Coaching Stock

a) London, Midland & Scottish Railway Stock

i) Further Details

Further to 5)a)i) on Amendment Sheet 97 it has been established that what was believed to be a FRUIT at Muirtow is in fact a Midland Railway FISH first numbered **1810** by the LMS and later **404xx**. MR diagram 1272 6-wheel Fish Vans and LMS diagram 1873 6-wheel Fruit and Milk Vans are effectively a continuation of the same design thus they can be very difficult to tell apart. The original LMS number is just visible in this van.
