### 6) Corrections to 'Amendment Sheet 137'

In section 5)b)i) the reference to London & North Eastern Railway HB **2276** should be deleted. This body still survives at Waterside (NJ 534119). However, Mill of Fowlis should be removed from the address and replaced with Cushnie. Mill of Fowlis is actually a dwelling about one mile away, whilst the general area is referred to as Cushnie. Thus, the location should read 'Store shed at Waterside, Cushnie, near Alford, Aberdeenshire *NJ 534119*'
